Inclement Weather

When customers cannot be picked up (or dropped off) at their requested location, MTTA reserves the right to change the location to ensure the safety of our clients and staff. Changes in pick-up and drop-off locations will be communicated through the Command Center to the Rideshare operators as customers as needed.

What is MicroLink?

MicroLink is a flexible and on-demand transportation service operating within specific zones or areas that may connect you to fixed route service to get to the final destination. It allows passengers to request rides using a smartphone app, website, or phone call, offering more convenient and flexible service. MicroLink vehicles pick up passengers from designated locations and take them to their destinations within the defined service area, often utilizing real-time scheduling to optimize routes and reduce wait times. It's a responsive and adaptable transit solution that aims to cater to individual travel needs within a certain geographic area.

How to Book:

Get the App: Download our app—it's your ticket to a ride!

Choose Your Way to Pay: Purchase a pass or opt for "pay with cash" during booking.

Plan Your Trip: Tap on PLAN & ROUTE / STOP DETAILS. Allow up to 20 minutes for pickup in Tulsa. Allow up to 1 hour for pickup in BAT (Broken Arrow).

Pick Your Stops: Select where you want to be picked up and dropped off. Select the "MicroLink" logo.

Book Your Ride: Hit that book button!

After booking, you'll get a notification showing where your ride is in real-time and when it's arriving. Keep an eye on it—times might change for a faster service. When it's close, be ready to hop on!

Night and Sunday Hours:

Zones 1-7: Mon-Sat: 8 PM to 12 AM

Zones 1, 3, & 4: Sunday: 8 AM to 8:30 PM

Zone 6 & 7: Sunday: 8 AM to 6:30 PM

Where We Go:

Check out our maps for Points of Interest (POI) and zoning. Points of interest are cool places you can head to from outside your zone!

Cancellations & No Shows

Passengers will receive credit for future rides if they are dropped off later than the guaranteed arrival time or if the driver misses the estimated pickup time. Refunds won't be given for cancellations, but credits will be valid for 120 days after being issued. If a passenger doesn't show up, the original charge won't be refunded. Excessive cancellations will be noted on a customer's record, and those canceling more than 5 trips per month may face suspension.

Customers who receive a total of 5 No Shows in a 30 day period will receive a written notice of Service Suspension, and a 30-day service suspension will be imposed. Customers will be given 14 calendar days from the date the suspension letter is mailed to appeal the decision.
