### III. APPROVAL OF THE May 24, 2022, MEETING MINUTES

Ann Domin and Emeka Nnaka moved to approve the May 24, 2022, meeting minutes.

Yeas 3 Nays 0 Abstained 1 Absent 3 -- Motion Carried.

### IV. PUBLIC COMMENTS

None

#### V. COMMITTEE BUSINESS and REPORTS

- A. Finance/Budget Committee James Wagner, Committee Chair
- 1. Review and approval of May 2022 Financial Statements Rebecca Warner Rebecca presented the May financials. May operating expenses of \$1.8M were \$197K or 9% less projections based on the FY2022 budget. Revenues from Operations are down due to the reduced ridership because of COVID-19. The FY22 underspending of \$2.6M to budget is reflected in the following areas: Salaries \$600K, Lift Program 208K, Material & Supplies 324K, and Planning/Marketing \$486K. Fixed ridership had 53,000 increases in riders, BRT had 57,000 increases with free fares that started May 1, 2022.
- 2. Review of General Manager submitted expenses Rebecca Walner Rebecca presented the GM's expenses during May for \$1,729.94 for the 2022 Transportation Senior Executive Training program May 14-20, 2022.

**Emeka Nnaka** and **Ann Domin** moved to approve May 2022 Financial statements and the GM's May expenses in the amount of \$1,729.94.

Yeas 4 Nays 0 Abstained 0 Absent 3 -- Motion Carried.

- 3. <u>Upcoming Procurements</u> Jack Van Hooser Jack went over the upcoming procurement.
- 4. Renewal of Insurance Policies Rebecca Walner Rebecca presented the insurance policies up for renewal with a 2.72% increase to \$158020.82.

**Ann Domin** and **Emeka Nnaka** moved to authorize the General Manager to renew existing insurance policies at a total cost not to exceed \$158,020.82.

Yeas 4 Nays 0 Abstained 0 Absent 3 -- Motion Carried.

- B. Operating/Marketing Committee Adam Doverspike
- 1. <u>TPS Free Fares Renewal</u> Scott Marr Scott asked the Board to renewal the TPS free rides and extend it for 3 years.

**Emeka Nnaka** and **Phyllis** moved to approve of the continuation of the Tulsa Public Schools (TPS) Free Ride program for an additional 3 years beginning August 1, 2022, school year. The program would continue with these key elements from the 2021-2022 school year:

- The TPS Free Rides program would allow TPS high school students to ride Tulsa Transit for free upon showing a valid student ID card as approved by Tulsa Transit.
- As in the current school year, free rides would be in effect year around.
- The renewed program will begin August 1, 2022, and end July 31, 2025.
- Continue effort to establish a free-rides evaluation program in coordination with TPS and such program reflects the respective objectives of TPS and MTTA.

Yeas 4 Nays 0 Abstained 0 Absent 3 -- Motion Carried.

2. <u>MTTA Facility Feasibility Study</u> – Scott Marr Scott introduced Corrine with Olsson to give the presentation and answer questions on assumptions, scope of services and the next steps.

**Adam Doverspike and Phyllis Joseph** moved to authorize the General Manager execute a task order with Olsson Associates, Inc. for the preparation of a Facility Assessment Study for a fee not to exceed \$123,050.

Yeas 4 Nays 0 Abstained 0 Absent 3 -- Motion Carried.

3. Turley Connector and Broken Arrow Connector Services Contract – Naaja Jefferies Naaja presented the Board with the proposal to take the Turley Connector in house from First Transit and give the Broken Arrow Connector to First Transit.

Phyllis Joseph and Adam Doverspike moved to authorize the General Manager to negotiate and execute a contract amendment with First Transit to operate the Turley Connector service from July 1, 2022, through August 20, 2022, and the Broken Arrow Connector service from August 22, 2022, through June 30, 2023. The First Transit Turley Shuttle contract would be for the estimated amount of \$11,454.50. The Broken Arrow Connector would be for the estimated amount of \$122,413.87. MTTA would supply vehicles, maintenance, and fuel.

Yeas 4 Nays 0 Abstained 0 Absent 3 -- Motion Carried.

4. Contract for Bus, Shelter, and Bench Advertising Services – Rebecca Walner Rebecca presented the Board with the proposal for advertising sales on buses, shelters, and benches.

**Emeka Nnaka and Phyllis Joseph** moved to authorize the General Manager to enter a three-year contract with two options years with Transit Advertising, Inc. to provide advertising sales and related services, and to negotiate final terms and conditions. This is a revenue contract in which the contractor will provide services in exchange for an agreed commission on advertising sales revenue.

Yeas 4 Nays 0 Abstained 0 Absent 3 -- Motion Carried.

5. (APTA) Membership Dues – Scott Marr Scott asked the Board for permission to join American Public Transportation Association.

**Emeka Nnaka and Adam Doverspike** moved to authorize the General Manager to secure a membership with the American Public Transportation Association for an amount not to exceed 26,000 for July 1, 2022, thru June 30, 2023.

Yeas 4 Nays 0 Abstained 0 Absent 3 -- Motion Carried.

6. Award of Contract for CAD/AVL System – Liann Alfaro & Ofir Bar Liann and Ofir presented the Board with the Benefits for Tulsa Transit and for the Customers with the new technology and management solutions.

**Emeka Nnaka and Phyllis Joseph** moved to negotiate final terms and conditions and enter a contract for an amount not to exceed \$2,500,000 with Avail Technologies to provide a comprehensive CAD/AVL (Computer Aided Dispatch/Automatic Vehicle Locator), system to MTTA. This will be a three-year agreement with the option for an additional two-year term.

Yeas 4 Nays 0 Abstained 0 Absent 3 -- Motion Carried.

7. CNG Time Fill Fuel Post – Randy Cloud

Randy informed the Board that MTTA needs additional fuel post to streamline the fueling process. The buses are now being shuffled around the lot every day to fuel the fleet. This creates a loss of efficiency and more opportunity for accidents with buses being moved from one spot to another after dark. The additional fuel post would streamline the fueling process by allowing the fixed route buses to be parked and remain in that spot throughout the night.

**Adam Doverspike and Emeka Nnaka** moved to authorize the General Manager to negotiate and execute a purchase order with Trillium Transportation Fuels, LLC to install fifteen (15) CNG Time Fill Fueling posts for the Tulsa Transit CNG fuel station. The amount of the purchase order is not to exceed \$192,595.

Yeas 4 Nays 0 Abstained 0 Absent 3 -- Motion Carried.

### C. Executive Committee – Adam Doverspike, Committee Chair

1. Authorization of Free Fares – Scott Marr

Scott introduced Viplava Putta with INCOG to give a presentation on free fares sponsored by INCOG. This would be using CMAQ funds to be proactive with the Ozone levels. **Phyllis Joseph** asked to see the ridership data for July 1, 2022, thru July 14, 2022.

Ann Domin and Phyllis Joseph moved to authorize the free fares for Para Transit/Fixed Route Services sponsored by INCOG for two months not to exceed \$200,000 in total from CMAQ funds from July 15, 2022, thru September 15, 2022.

Yeas 4 Nays 0 Abstained 0 Absent 3 -- Motion Carried.

### VI. TRUSTEES AND GENERAL MANAGER COMMENTS

**Adam Doverspike** wanted to thank MTTA for using CNG, with the fuel prices being high right now.

VII. NEW BUSINESS

None

VIII. ADJOURN

Adam Doverspike adjourned meeting at 2:08 pm.

Sincerely,

Lori Soderstrom Secretary to the Board of Trustees

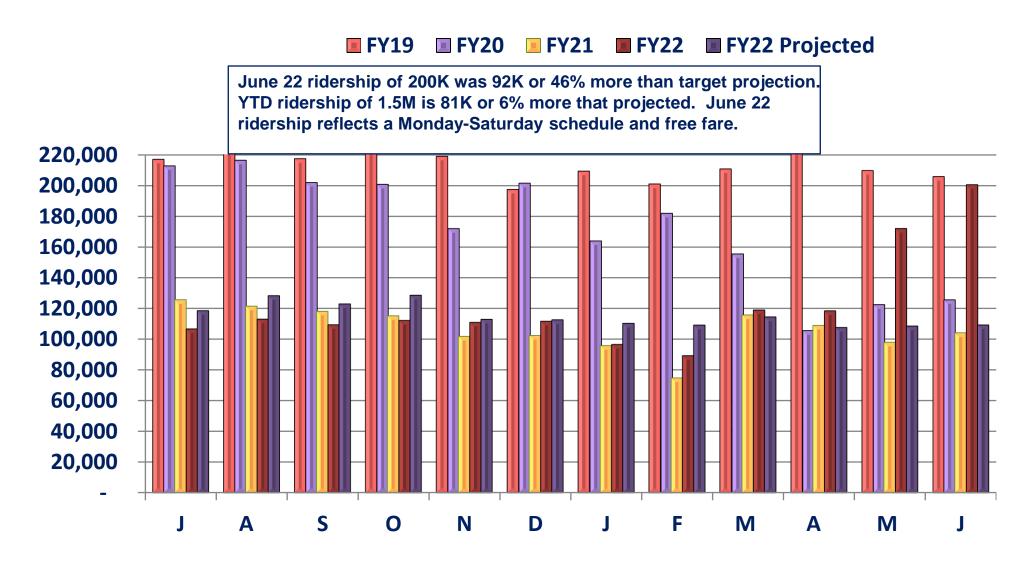

# Fixed Route

- FY 22- June and July 2022
- Half the month of July was free fare therefore these numbers are reflective of that.
- The BRT does show a great increase with the free fare.

## **FIXED ROUTE RIDERSHIP- June 2022**

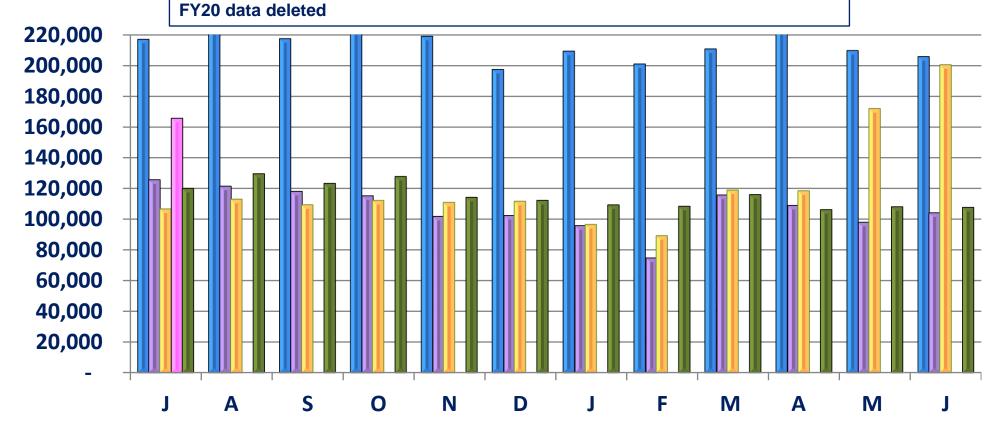

### FIXED ROUTE RIDERSHIP

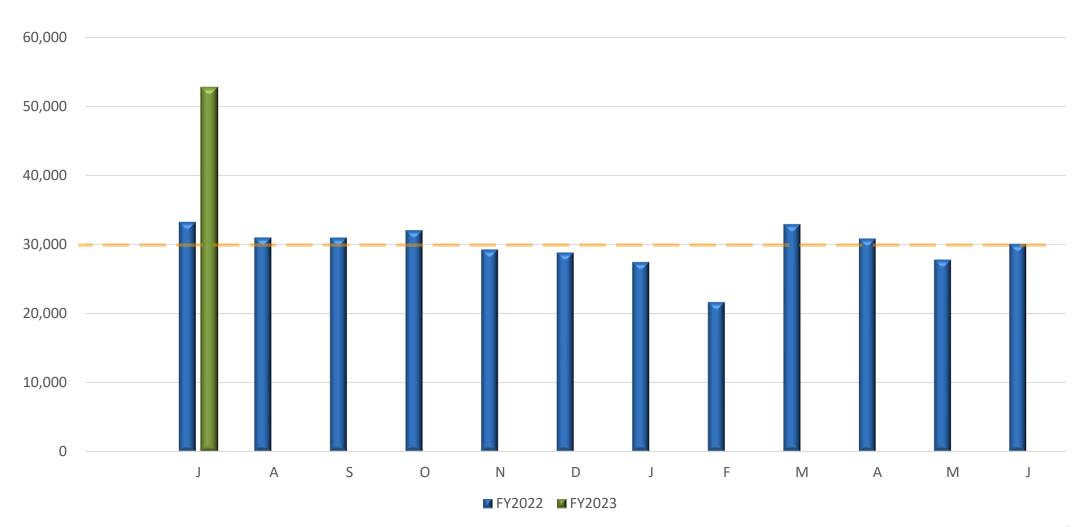

July 22 ridership of 165K was 45K or 28% more than target projection. July 22 ridership reflects a Monday-Saturday schedule half Month of free fare.

Fy20 daa removed Page 11 of 55

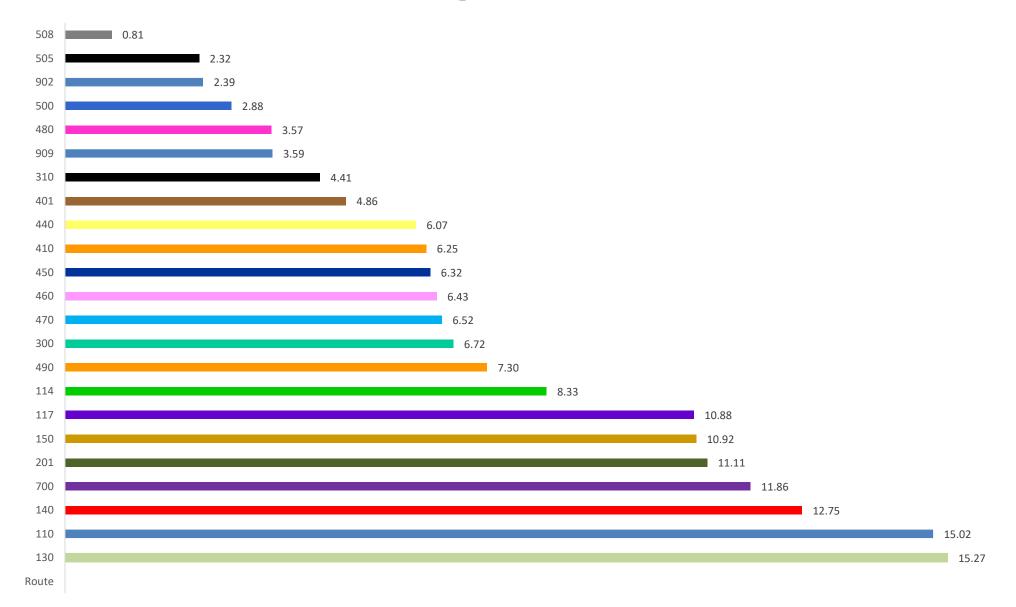

## **BRT RIDERSHIP**

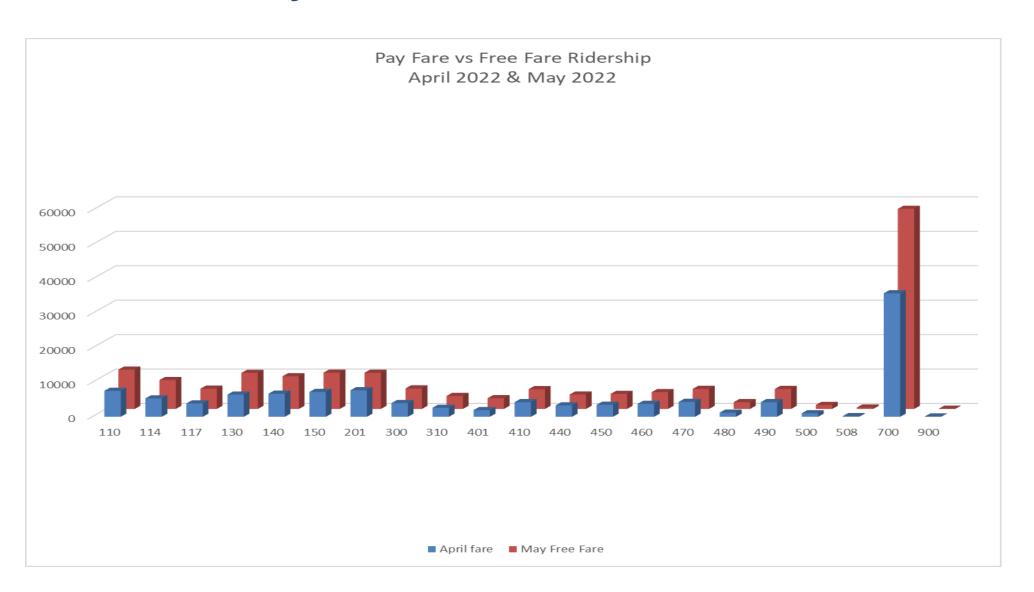

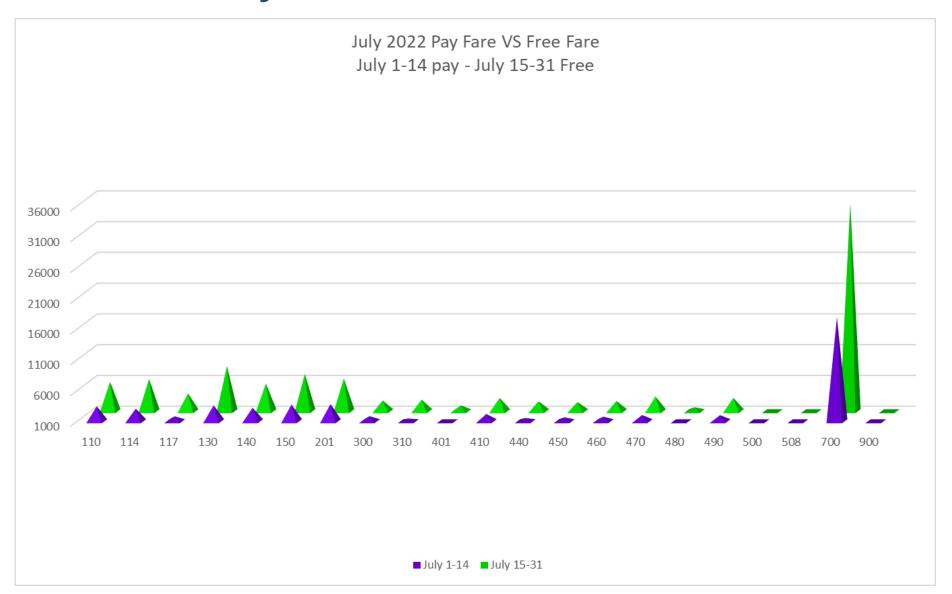

# Pay Fare VS Free Fare

# Pay Fare VS Free Fare

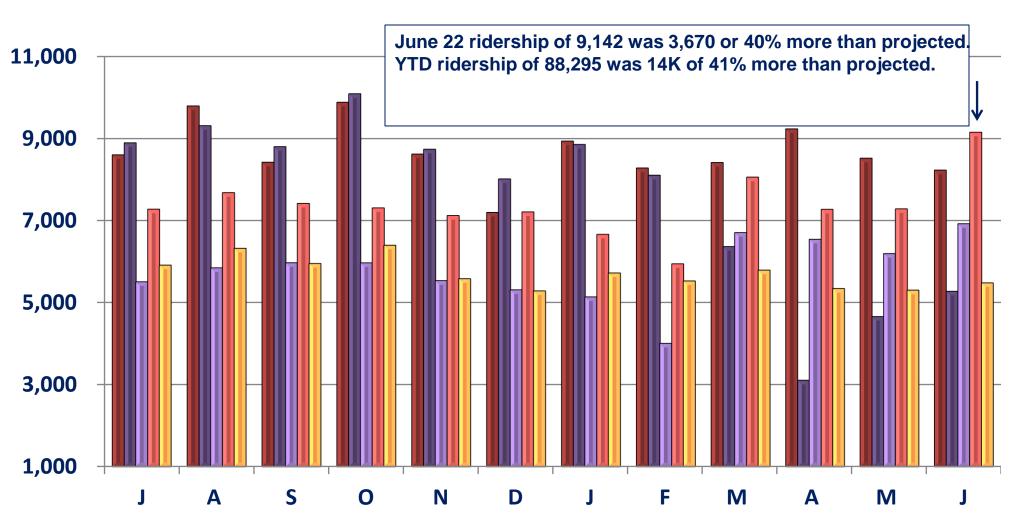

# Lift Ridership

- Fy 22 June and July 2022
- Lift Ridership is still trending along the lines of Pre-Pandemic numbers.
  - We were just shy of 2,000 over our budgeted expectation

## **LIFT RIDERSHIP – June 2022**

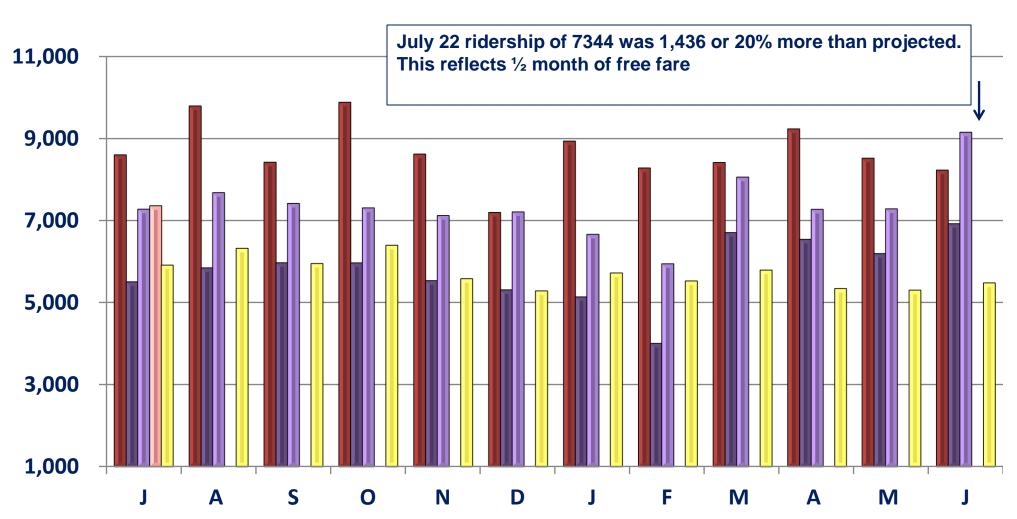

# **LIFT RIDERSHIP – July 2022**

# METROPOLITAN TULSA TRANSIT AUTHORITY BOARD MEETING Aug 23<sup>th</sup>, 2022 Finance/Audit Committee

To: Board of Trustees

From: Rebecca Walner, Director of Finance

Subject: FY23 Financial Statement Summary through July 31, 2022

#### **Recommendation:**

Review and approve the FY23 July Financial Statement Summary.

### **Analysis:**

July operating expenses of \$2M were \$436KK or 17% less projections based on the FY2023 budget.

YTD we have a zero surplus with total expenses of \$2M which are \$436K or 17% less than projected. Revenues from Operations are up due to the free fare rides in May and June, rolling that revenue over to the new year as online sales continued during that time. The FY23 underspending of \$436K is reflected in the following areas: Salarys \$200K, Lift Program 50K, Material & Supplies 150K, and Planning/Marketing \$60K. Below is a summary of our YTD FY23 operating results before audit:

### FY2023 Financial Summary YTD July 2022

Item	Actual	Budget	Variance %	Prior Year	Variance %
Revenue					
Revenue from Operations	\$189,461	\$167,109	13.38%	\$145,089	30.58%
Operating Grant Funding	\$1,838,900	\$2,297,744	(19.97%)	\$1,539,158	19.47%
Total Operating Revenues	\$2,028,361	\$2,464,853	(17.71%)	\$1,684,247	20.43%
Operating Expenses					
Labor and Fringe	\$1,173,107	\$1,322,201	(11.28%)	\$1,006,066	16.60%
Transportation Services	\$284,246	\$349,055	(18.57%)	\$274,214	3.66%
Administrative Services	\$119,183	\$137,552	(13.35%)	\$111,483	6.91%
Materials and Supplies	\$249,119	\$392,956	(36.60%)	\$168,182	48.12%

Professional and Technical	923,699.00	(163,038.00)	-15%	Due to prepayments in prior year reclass, it made the budget appear to be larger than necessary.
Fuel	964 735 00	408 826 00	000/	Fuel increase is higher than expected with the price of fuel surging and not having a locked in rate for more than 50% of our CNG. We now have it
Fuel	861,735.00	408,826.00	90%	locked in for up to 80%. As well as we added "eletric fuel" as an expense after budget was made. \$17,500 monthly, that is reimbursed with IOT funds.
Gasoline	94,021.00	33,733.00	56%	Gasoline prices reached much higher than expected rates which caused the increase in our gas budget line as well.
Gasoline	94,021.00	33,733.00	30 /6	Casonile prices reached much higher than expected rates which caused the increase in our gas budget line as well.
Oil & Lubricants	126,650.00	(48,209.00)	-28%	Due to less drive time, our oil and lubricants is under budget.
Oii & Eubiloanio	120,000.00	(10,200.00)	2070	Due to look arro time, our on and tubroarte to arrast badget.
Tires & Tubes	139,896.00	(28,408.00)	-17%	Due to less drive time tire and tubes has not reach the expected budget amount.
	.00,000.00	(20, 100.00)	,0	Due to look and time and time that have had not read a subject a meaning
Facility Repairs	715,331.00	263,708.00	58%	Due to aging facility it has cost more to repair as issues arise.
	,	,		
Service & Shop Equipment	39,406.00	(160,424.00)	-80%	Due to few buses pulling out our expenses have not reached the expected amount.
		, .		
Other Shop & Garage	76,771.00	(30,280.00)	-28%	Due to few buses pulling out our expenses have not reached the expected amount.
<u> </u>				

<u>-</u>				
Repair Parts	1,356,318.00	(546,657.00)	-29%	Due to few buses pulling out our expenses have not reached the expected amount.
Servicing Supplies	54,497.00	(82,919.00)	-60%	Due to few buses pulling out our expenses have not reached the expected amount.
Utilities	594,340.00	(8,500.00)	-1%	Utilites are about on target with budget
Insurance	432,845.00	(117,956.00)	-21%	Insurance premiums did not increase as expected in FY 22.
				Planning currently appears to be under budget, however, in the next few months we are expecting projects to come to closure which will pull this
Planning	330,459.00	(544,541.00)	-62%	number closer to budgeted expectation, and a larger expensed item did not happen in 2022, possibly happening in 2023.
Marketing & Advertising	155,248.00	(413,297.00)	-73%	Similar to Planning, we do have projects that we are expecting to come to closure as our fiscal years comes to closer to close. PY we had CMAQ funding to help with the cost, with CMAQ for Marketing expesense not happening we did not expense as much.
	,	,		
General Office Expense	158,868.00	6,237.00	4%	Office supplies are 4% over projection due to change in staffing positions.

### SUMMARY OF OPERATING BUDGET VARIANCE ANALYSIS

Projected expenses within +/- \$1,000 and +/- 5% YTD variance are considered consistent with projections.

	\/TD	\ <del>/==</del>	\/TD	Projected expenses within +/- \$1,000 and +/- 5% YTD variance are considered consistent with projections.
	YTD	YTD	YTD	
Operating Revenues	\$	Var\$	Var%	Details
Fixed Route Revenues	121,775.00	31,992.00	-41%	Fixed Route Revenues are higher due to Free Fare ridership in May & June, rolled amounts to July, and Incog partnership.
Advertising Revenue	52,560.00	(1,637.00)	-3%	Advertising Revenue is 3% lower than original projected.
Advertising Revenue	52,560.00	(1,637.00)	-370	Advertising Revenue is 3% lower than original projected.
Lift Program Revenues	11,287.00	(7,942.00)	-41%	Lift is significally lower than expected due to Free Fare and calculating amounts between July 15- Aug 15.
	YTD		YTD	
Expenses	\$		Var%	Details
Payroll and Fringe	1,173,107.00	(149,094.00)	-19%	Payroll & Fringe is 19% less than projected as we have not yet been at full capacity for drivers, however have been paying sign-on bonus's and overtime.
r ayroli and r ninge	1,173,107.00	(149,094.00)	-13/0	overtime.
		(2 / 222 22)		
Transportation Services	284,246.00	(64,809.00)	-19%	Transportation Services is less than expected as we have not got back to full capactity.
Advertising Commissions	29,608.00	10,587.00	56%	Advertising commission is higher than expected as we are expensing the commission expense as we invoices versus upon payment received.
	,	,		
Legal	2,597.00	(5,149.00)	-66%	Legal Expenses are lower than expected as we have wrapped many lititgations up at year end.
Legai	2,397.00	(5,149.00)	-00%	Legal Expenses are lower than expected as we have wrapped many intigations up at year end.
Audit Fees	3,475.00	-	0%	Audit fees are on target for FY23.
Bldg. & Facility Services	16,796.00	2,706.00	19%	Building and Facility Services are currently 19% higher than expected as due to property improvements.
Professional and Technical	64,609.00	(27,450.00)	-30%	Professional & Technical is lower than budget as we did not have as many hiring fees.
Fuel	130,620.00	(35,896.00)	-33%	Fuel is 33% less than expected due to budgets at full capacity.
		, ,		
Gasoline	14,568.00	3,244.00	29%	Gasoline prices reached much higher than expected rates which caused the increase in our gas budget line as well.
Casoline	14,300.00	3,244.00	2370	Casonile prices reaction matringher than expected rates which caused the increase in our gas budget line as well.
		(2.22-22)		
Oil & Lubricants	5,673.00	(8,857.00)	-61%	Due to less drive time, our oil and lubricants is under budget.
Tires & Tubes	5,746.00	(8,240.00)	-59%	Due to less drive time tire and tubes has not reach the expected budget amount.
Facility Repairs	37,892.00	257.00	1%	Facility Repairs is on target with budget.
Service & Shop Equipment	13,240.00	(3,365.00)	-20%	Due to few buses pulling out our expenses have not reached the expected amount.
	, ,	, ,		
Other Shop & Garage	7,192.00	(1,704.00)	-19%	Due to few buses pulling out our expenses have not reached the expected amount.
Other Onlop & Garage	1,132.00	(1,104.00)	-13/0	Due to few buses pulling out our expenses have not reached the expected amount.

Danair Darta	444 445 00	(40,000,00)	440/	
Repair Parts	141,445.00	(16,662.00)	-11%	Due to few buses pulling out our expenses have not reached the expected amount.
Servicing Supplies	2,019.00	(9,400.00)	-82%	Due to few buses pulling out our expenses have not reached the expected amount.
Utilities	67.687.00	11,747.00	21%	Unexpected increase in Utilites has caused prices to surge, we are monitioring for future consuption.
Insurance	42,116.00	(12,051.00)	-22%	Insurance premiums did not increase as expected in FY 23.
	·			
				FY23 had a study spread over the year that has not currently taken off. This line item may stay under budget, depending on cost of the location move
Planning	18,509.00	(54,408.00)	-75%	consultants.
Marketing & Advertising	25,872.00	(12,244.00)	-32%	Marketing and Advertising is currently under budget, as this was budgeted off of when MTTA received CMAQ funding and not reduced.
General Office Expense	9,119.00	(3,600.00)	-28%	Office Supplies are 28% less than expected as MTTA tries to control how much we are spending on supplies.
General Office Expense	9,119.00	(0,000.00)	-2070	Since supplied all 25% local than expected at this first thought the all supplied.
	YTD		YTD	
Grant Revenues	\$\$		Var%	Details .
	**		141.70	
Other Operational Assistance	97,873.00	(8,329.00)	-8%	These revenues represent contracts with the City of Broken Arrow, Jenks, and Sand Springs, as we as MMS.
Oklahoma State Funding	95,833.00	-	0%	Our FY23 annual ODOT apportionment is \$95K per month and is consistant with projections.
ETA Diamina	70 000 00	(36,867.00)	-34%	YTD Planning expenses are 34% less than expected due to not doing a study at this time.
FTA Planning	70,883.00	(36,867.00)	-34%	110 Planning expenses are 34% less than expected due to not doing a study at this time.
FTA Audit/Leases	9,185.00	185.00	2%	YTD Audit and Leases is on target with assumption.
FTA ADA Lift	55,750.00	-	0%	YTD ADA is on target with budget.
ETA CARES	204 022 00	(207.054.00)	E70/	ETA CARES is under hudget as we have regained some of BV income in CEV
FTA - CARES	301,023.00	(397,051.00)	-57%	FTA CARES is under budget as we have regained some of PY income in CFY.
FTA - CARES FTA Preventive Maintenance	301,023.00	(397,051.00)	-57% 9%	FTA CARES is under budget as we have regained some of PY income in CFY.  YTD PM is about on target.

# METROPOLITAN TULSA TRANSIT AUTHORITY BOARD MEETING August 23, 2022

Operating/Marketing Committee

To: Board of Trustees

From: Rebecca Walner-Director of Finance
Subject: Accounting Software – Price Increase

#### Recommendation

Authorize the General Manager to enter into a contract in an amount not to exceed \$30,000 yearly with Njevity to continue use of Microsoft GP as their accounting software.

## Background

Starting in 2013 MTTA began using Advanced Integrators as the consultants and hosting company of Microsoft Great Plains. In 2019 Advanced Integrators was bought out by Njevity and MTTA followed with them. Earlier in 2022 Njevity announced a price increase for all users, MTTA attempted to keep the cost down, however, due to the software system being cloud based, we are needing to use Multi-Factor Authentication which increases the amount over what is yearly allocated and. The accounting department had gone out to bid in 2021 to see what other accounting software were in the market and decided it was not in the best interest to make a change for both cost and the customer service we received with Njevity.

# **Financial Impact**

This funding comes from our Operating funds and between the price increase and adding Multifactor Authentication, shows roughly a \$6,000 yearly increase for FY23.

# **Upcoming Procurements**

# METROPOLITAN TULSA TRANSIT AUTHORITY BOARD MEETING August 23, 2022

**Operating/Marketing Committee** 

To: Board of Trustees

From: Jack Van Hooser – Procurement Specialist Subject: Call Center Roof and Skylight Replacement

# Recommendation

Authorize the General Manager to enter into a fixed price contract in an amount not to exceed \$600,000 with Sooner Recon LLC to repair and replace the roof on the Call Center Building as well as repair & replace several Skylights in the Maintenance and Administration Buildings.

## **Background**

The Call Center has been in its existing location for at least the last ten years. During this time no major repairs have been made, although the roof has been deteriorating during this time. A hail storm in March 2020, caused even more damage to the Call Center Roof as well as the skylights on the Maintenance Garage and the Administration Building. It is time to make the needed repairs.

On June 24, 2022 MTTA posted a Request for Proposals (RFP) for Call Center Roof & Skylight Replacement. The RFP was advertised on two consecutive Sundays, July 3<sup>rd</sup> and July 10<sup>th</sup> 2022, in the Legal Notices section of the Tulsa World newspaper. Advertisements were also placed on the South West Transit Association website as well as "Transit Talent" and "Mass Transit" online and print publications. Finally, the procurement department maintains a database of potential firms to send project notices to.

A single responsive and responsible proposal was received on the RFP from Sooner Recon LLC. MTTA also received a price sheet only from Oklahoma Roofing and Sheet Metal LLC. No other required paperwork was submitted. They were deemed to be non-responsive for failure to submit all required documentation with their proposal. They were also eliminated because their price was outside the agency budget and was considered an outlier.

Per FTA C 4220.1F, a single proposal justification must be performed upon receiving a single bid or single proposal in response to a solicitation. The recipient should determine if competition was adequate. This should include a review of the specifications for undue restrictiveness and might include a survey of potential sources that chose not to submit a bid or proposal. Nothing in the document was found to be restrictive and potential proposers were polled to determine why they chose not to submit on the project.

One of the firms, A Best Roofing, indicated they chose not to submit because of the bonding requirement. Magnum Construction indicated that since the project was sent to multiple roofers it would be hard for them as a General Contractor to be competitive. Finally, Crystal Structures indicated they did not manufacture the type of Skylights the specs called for.

# **Financial Impact**

MTTA will pay for the project with federal and local funds in an 80/20 ratio, with 80% of the funds coming from federal sources and 20% will come from the City of Tulsa local match.

# METROPOLITAN TULSA TRANSIT AUTHORITY BOARD MEETING

# August 23, 2022

# **Operating/Marketing Committee**

To: Board of Trustees

From: Ofir Bar – Director of Information Technology

Subject: Standard Scheduling Data Integration between Trapeze to Avail.

#### Recommendation

Authorize the General Manager to enter into a Trapeze Standard Data Exchange (TSDE) for FX contract in an amount not to exceed \$57,000. By implementing TSDE, Tulsa Transit will be able to pass data from our scheduling software Trapeze FX to the downstream 3<sup>rd</sup> party consumers (the CAD/AVL system from Avail).

# **Background**

The previous CAD/AVL vendor we used (ETA Spot), did not require Tulsa Transit an automated data export exchange process as this task was done manually however with the new CAD/AVL vendor, the integration and continuous data feed is required for the system to work flawlessly and essentially be an overall improvement for all the GTFS feed challenges that Tulsa Transit encountered and equally as important to provide the public with accurate real-time information.

Some of the challenges we currently facing are:

- With the previous CAD/AVL vendor, on each signup, Tulsa Transit manually exported the GTFS feed from Trapeze and imported the data into ETA system.
- This manual process was the leading cause for multiple issues including loss of productivity (by making manual changes in multiple locations usually in the middle of the night to avoid negative impact to the operations) as interim changes were required in multiple systems.
- The manual process also caused delay with generating the General Transit Feed Specifications (GTFS feed) as edits were needed before the import.
- Due to the manual process, at times, some of the data that was manually exported was
  incorrect and as a result, GTFS feed data was published with errors with actual location
  of bus stops in Google maps and the CAD/AVL software.

# **Financial Impact**

MTTA will pay for the project with federal and local funds in an 70/30 ratio, with 70% of the funds coming from federal sources and 30% will come from the City of Tulsa local match.

Tulsa Transit Executive Summary May 2022

Chase Knowles, Tina Liu, Anna He, Shalabh Gupta, Lucie Toledano, Pedro Magalhaes

#### Overview:

The COVID-19 pandemic disrupted life as we know it: travel was shut down, governments struggled to adjust, and people's lives changed drastically. Government resources were particularly impacted by the pandemic, **and Tulsa Transit saw a 58% reduction in ridership.** This is a concern for those reliant on public transportation, particularly those from underserved backgrounds. As a result, we focused on ways to increase ridership in Tulsa Transit, emphasizing those from underserved backgrounds in East Tulsa.

# East Tulsa demographics:

- 26% Hispanic
- 19% below poverty line
- <1% use bus / public transit</p>

# Approach:

We used the design thinking approach to better understand the problem and support our recommendations. Our data sources included (but not limited to) public reports, Tulsa Transit Ridership and Customer Satisfaction Data, field research, and stakeholder interviews. We interviewed over 30 individuals from 6 different stakeholder groups: city councilors, corporate representatives, drivers, current riders, prospective riders, local organizations, and local businesses.

# **Contextual Intelligence / Findings:**

We found that there is a range of interconnected issues currently contributing to the bus system's lack of reliability and low ridership. There is a national driver shortage, which is impacting route availability and on-time performance. This in turn leads to unreliable transit and loses customers, which drives down revenue. This is a vicious cycle that leads to an unreliable transit system. Unfortunately, this disproportionately harms the most underserved communities that are increasingly dependent on public transit for getting to work and other critical destinations.

#### Our Scope:

We are particularly focused on the low bus ridership among the Hispanic population within East Tulsa. As a result, we have defined the persona for our scope as Spanish-speaking Sofia, who is Hispanic and only speaks Spanish, between 18-54 years old, pays using cash, and checks the bus schedule with Tulsa Transit's call center, rather than using an app.

## **Customer Insights & Recommendations:**

We focused our recommendations to address the communication pain points in each step of Spanish-speaking Sofia's journey of taking the bus, from service awareness to ride experience:

- 1. Learning about the bus system
  - Insight: Today, Sofia isn't aware of how the bus can serve her needs. She isn't aware of
    which routes can serve her commuting and personal errand needs, how much the fares
    are, or if there are areas to park a stroller or bike on the bus. Hispanic residents in East
    Tulsa are also particularly concerned about the safety of Tulsa Transit and its affiliation
    with the government, as many friends and family may be undocumented.

Recommendation: To address these awareness issues, we recommend increasing
advertising efforts to better communicate Tulsa Transit's capabilities and offerings.
Advertising tactics should be diversified, and we would emphasize local Spanish radio
stations and Facebook as key channels. Other key channels that should be utilized for
advertising include local community events and churches, places that Hispanic residents
often gather.

# 2. Waiting for the bus

- Insight: Waiting for the bus is a frustrating period for Sofia. She struggles to know where the bus is located, as accurate tracking and status updates are not properly communicated. Signage around the bus stops is fully in English, static, and can only be seen from one side. Glitches often occur when using the Spot mobile app, and she cannot use the Spot tracking app because she only speaks Spanish and the app is only available in English. Additionally, when there are long wait times due to the infrequency of buses, she has a hard time waiting at the bus stops as there often aren't any benches or coverage for shade.
- Recommendation: Tulsa Transit needs to improve several components to deliver a comprehensive, clear navigation and tracking ecosystem. First, mobile app technology needs to be improved and should load routes quickly and accurately with an easy-to-use interface. Second, basic signage should be implemented. Digital maps at each bus stop that show routes, bus numbers, and live status wait times would help riders better track buses. Implementing Spanish text alongside English would help many East Tulsan residents that are Spanish-speaking only, and would mean riders can understand bus routes and wait times without relying solely on bus drivers who may not speak Spanish.

# 3. Riding the bus:

- Insight: Sofia is still learning English and it is difficult for her to communicate with the bus
  drivers, who often only speak English. She often feels like the bus drivers do not care
  about her. Information and signage on the buses are typically only in English.
  Sometimes she has no idea when and where to get off because there aren't any maps
  onboard.
- Recommendation: Maps should be installed on every bus, and information onboard should have Spanish text alongside English so that riders can feel more comfortable riding the bus without having to interact with bus drivers. In the meantime, Tulsa Transit should also look to hire more bilingual bus drivers and train all bus drivers to be able to politely accommodate riders who do not speak English. At the very least, bus drivers point to the provided translated information for riders.

## **Risks & Contingencies:**

- The major risk associated with our plan is that riders still do not use the bus, despite improved communication, because of the lack of reliability that exists in the current system.
- Our contingency plan revolves around improving driver engagement so that Tulsa
  Transit can get ahead of the vicious transit cycle that results from limited drivers. Doing
  such, through improved employee engagement can rebuild trust and legitimacy in the
  system. This, partnered with improved communication, should enhance the experience
  of riders in East Tulsa

# METROPOLITAN TULSA TRANSIT AUTHORITY BOARD MEETING August 23, 2022

# **Marketing and Operations Committee**

To: Board of Trustees

From: Liann Alfaro, Director of Planning

Subject: Moving Tulsa Forward – August 2022 changes to service and Future

# <u>Introduction</u>

Since mid-2020 Tulsa Transit has been on Saturday/Reduced level service due to the manpower issues we've experienced during the pandemic. During this period, we've seen the ridership decline 40 to 50%. The Planning team is looking at making the service more connectible, reliable, and dependable for our customers.

Planning and Marketing Staff hosted public input session on what they would like to see for the future of Tulsa Transit routes. With that input in mind the planning staff was able to in April 2022 move to Monday thru Friday Service to a Monday thru Saturday service.

For the August 2022 route changes, the planning staff evaluated the service again, with this evaluation it was determined to start to offer some services at a higher frequency as manpower will allow. The evaluation also took into the account of some routes that had low ridership per hour and looked at using those resources in other areas, to develop the Monday-Saturday service in the right direction.

## Summary of changes

#### August 2022

- •Introduce route 109 Riverside: This route will travel from Denver Avenue Station down Riverside Parkway and will terminate at the Walmart Neighborhood Market at 93rd and Delaware. This route will operate at every 30 minutes, will operate Monday thru Saturday. It will service many River Parks and Gathering Place.
- •Route 300 increase frequency: The frequency on route 300 will increase to 45 minutes from every 60 minutes. This will only be on Weekday Monday-Friday service. This is the start of returning to a Monday thru Friday service and Weekend Service.
- •Route 505 Turley Connector: in the past this service was provided by our contractor First Transit. This is a traditional fixed route service and Tulsa Transit will take over the service deliver with Tulsa Transit drivers.

- •Route 508: This service is more of a traditional service Flex Fixed route service meaning it deviates from the regular fixed route to do curb to curb pick up and drop offs, such as our Nightline and Sunday service is offered. Therefore, the contractor First Transit will operate this service.
- •Eliminate route 480: This route has a very low ridership per hour, which is one of the metrics we monitor productivity of routes. The route carried on an average day 2 people per hour. It was determined that this resource could be used in a more productive way.
- •Eliminate route 600 Gathering Place Shuttle: This service was mainly a park and ride from downtown to the park. Working with Gathering Place and understanding they are looking to provide transportation to those with barriers to the park, the route 109 was developed and the Gathering Place will now have a stop along the fixed route.

The planning staff developed a Title Vi analysis and has submitted that to the FTA for information. There were not any disparities found to offer this service. As well as, gaining public input. Tulsa Transit planning and marketing staff hosted public open houses to offer information and to gather feedback on changes. The following is a poster of the open houses for public input and the feedback received.

- 1. Libby McCarter: Great Job, so informative. Thank you!
- 2. Jim Reed: Great session, highly informative.
- 3. Allen Collins: Please consider the needs of the elderly, the physically and hearing impaired and those in need of medical (offices and pharmacies) in future interactions of routes. Engaging key stakeholders in that space will help gather solid info and data.

# Possible December 2022 changes:

Remove interlining on routes

Tighten up span of service hours – first and last trips

Implement the crosstown route – DAS to Woodland Hill Walmart subhub

Timing Point changes for better On Time Performance

# Possible April 2023 Changes:

Microtransit Pilot roll out
