METROPOLITAN TULSA TRANSIT AUTHORITY BOARD MEETING July 25th, 2023, Consent Calendar Item

| То: | Board of Trustees |
|----------|--|
| From: | Jack Van Hooser – Procurement Manager |
| Subject: | Award of Contract to Provide Operator Uniforms |

Recommendation

Authorize the General Manager to negotiate final terms and conditions with Unifirst to provide Operators with uniform services, include uniforms, repairs and cleaning, for an amount not to exceed \$40,000. This will be a three-year agreement with an optional two years.

Background

With MTTA taking over the Lift and Microtransit programs, the need for consistent and fashionable uniforms has become apparent. Previously our Fixed Route bus operators were awarded a uniform allowance with which they purchased uniform shirts and pants on an annual basis. The reality is that when awarded the allowance if they already have uniforms, many times they would not use the allowance on uniforms until the old one was worn out, then they would make the purchase. The result is that a lot of operators look less than professional due to not keeping up with their uniform needs.

MTTA received three price proposals to provide our Operators with the necessary uniforms and services to keep them looking fresh and professional. Of the three firms to provide a quote Unifirst had the lowest price at \$31,831.80. This price will supply all the operators (Rideshare and Fixed Route) with uniforms and will care for those uniforms in a proper manner.

The requested amount of \$40,000 is being used until we have better pricing history for this type of service. Increasing head counts due to the growth of our various programs and Operator turnover make estimation of annual cost difficult. After the three-year agreement we will have better cost estimates to use on a future procurement for these services.

The tables included below shows the pricing for each evaluated firm.

| FIRM | YEARLY COST |
|----------|--------------|
| ARAMARK | \$ 37,065.60 |
| CINTAS | \$100,042.80 |
| UNIFIRST | \$ 31,831.80 |
