Adhering to these guidelines ensures a safer and more pleasant journey for everyone using MetroLink services.

Passenger risks assumed riding on a public transit vehicle is one of the safest ways to travel. MetroLink drivers are well trained and MetroLink maintains an excellent safety record. However, MetroLink does not have control over the actions of other drivers on the road. As a rider on a MetroLink vehicle you assume the passenger risks involved in the normal operation of a moving vehicle on public streets, such as sudden stops, evasive movements, and turns. Your seat may not be equipped with a seat belt. You should always hold on to a hand rail while the vehicle is in motion. Likewise, if you are riding as a standee you should secure yourself by holding onto a stanchion or hand rail at all times. Failure to abide by these rules will result in the removal of the individual or individuals from MetroLink property and/or suspension of bus services.

What is MicroLink?

MicroLink is a flexible and on-demand transportation service operating within specific zones or areas that may connect you to fixed route service to get to the final destination. It allows passengers to request rides using a smartphone app, website, or phone call, offering more convenient and flexible service. MicroLink vehicles pick up passengers from designated locations and take them to their destinations within the defined service area, often utilizing real-time scheduling to optimize routes and reduce wait times. It's a responsive and adaptable transit solution that aims to cater to individual travel needs within a certain geographic area.

Cancellations & No Shows

Passengers will receive credit for future rides if they are dropped off later than the guaranteed arrival time or if the driver misses the estimated pickup time. Refunds won't be given for cancellations, but credits will be valid for 120 days after being issued. If a passenger doesn't show up, the original charge won't be refunded. Excessive cancellations will be noted on a customer's record, and those canceling more than 5 trips per month may face suspension.

Customers who receive a total of 5 No Shows in a 30 day period will receive a written notice of Service Suspension, and a 30-day service suspension will be imposed. Customers will be given 14 calendar days from the date the suspension letter is mailed to appeal the decision.
